## Table Size Customization

*Most tables can be customized to fit your space. Smaller sizes of any table can be done without additional charge. Larger dimensions will incur additional fees. Please specify if you want the default dimensions or if you want to customize.*

## Built-in Power/USB Outlets

*Most tables can have the added benefit of built in power and/or USB charging ports added to the side of the table.*

Initial Outlet Upgrade: \$100

Additional Outlet: \$40

## Built-in TV/Monitor Display

*The Basic and the Legacy tables can be upgraded to support a Display in the center of the table. This upgrade includes the housing supports necessary in the table to store the desired sized TV/Monitor (limited to 40") as well as a fitted plexiglass to protect the display. The surrounding play area felt will be fitted up to the casing of the display. **This does not include the display itself.***

\$199

## Molding for Dining Tops

*The Basic and Deluxe table come with flat edges on the dining top. You can add quarter-round or half-round molding to add finesse to your tables appearance.*

\$35

## Included Finishing Options

*Each Silverwood Tableworks product includes your choice of the popular MinWax © stain colors or natural, as well as your choice of sealants: Polycrylic, Laquer, or Tung Oil. Satin, Semi-Gloss or Glossy finish. Minimum 3 coats applied, Tung Oil receives 4.*

Additional Coat: \$40
